About The Painting

The Greenway Foundation commissioned this original painting following an art contest in Denver. "The Force and The Flow II" is a stunning representation of Denver's own Confluence of our urban waterways, contrasting the tranquil and reflective beauty of the river with the powerful rush of rapids.

About the Artist

Sheri Farabaugh is a native of Wisconsin and now splits her time between Colorado and Arizona. She rediscovered her childhood interest in art after retiring from a career as a chemist and a CPA. The Greenway Foundation found Sheri through the Art Students League of Denver but her paintings have been displayed at the Muse Gallery in Longmont, Colorado; the West Valley Art Museum in Surprise, AZ, the 2007 Peoria Celebration of the Artist, the Sun City Grand Studio, Foothills II Gallery in Golden, and the China Art Institute in Hangzhou, China. Sheri's work will be entered into the Artists of Promise competition in 2008.
